30th SEPTEMBER 2023

WEEKLY ROUND-UP

Albeit that they have played more games than those below them, Eastbourne Town retained their position at the top of the Premier Division as they recorded their eighth straight League victory, although they left it very late against Pagham, before scoring twice in the last 10 minutes.

Crowborough Athletic are second, as they recorded another success against Peacehaven, with Jack Turner hitting a dramatic winner deep into stoppage time (2-1), while Hassocks had a slightly more comfortable ride winning 4-1 at injury hit Little Common.

Newhaven, also moved into contention, although they were made to work extremely hard for a solitary goal win at Uckfield. Eastbourne United meanwhile suffered their first league defeat of the season in spectacular fashion, thrashed 5-0 at Midhurst & Easebourne, Lewis Russell's first half brace helping the home side.

Last season's runners-up Crawley Down Gatwick, after a very slow start to the season look to be running into form as they won comfortably 5-0 at near neighbours Horsham YMCA, Sam Clements with a brace for the Anvils.

Steyning Town retained their 100% record in the league, although due to their FA Cup exploits, have played a lot less games than those sides above them, their latest win being a comfortable 3-0 at struggling AFC Vardeanians, while Lingfield defeated Loxwood 3-0 at Horley's New Defence ground to maintain their mid-table position.

Haywards Heath Town, came from two down at half-time at home to Bexhill United, to eventually win 3-2 thanks to a Cameron Dobell brace in the last 10 minutes, meanwhile bottom side Shoreham were denied their first league win as Aaron Winser hit an equaliser for visitors Saltdean United 9 minutes into added time (2-2)

Dorking Wanderers B remain at summit of Division One following their comfortable 5-1 home win over Chessington & Hook United, helped by a Jacob Todman double. Roffey remain hot on their heels with a game in hand after their own five goal romp against Banstead Athletic, Devon Fender's brace helping the home side complete a whitewash in their 'trilogy' with Banstead, having also beaten them in both FA Vase and Peter Bentley Cup in the last week!

Godalming Town sit in 3rd place, following their own 3-0 win over Oakwood, although game was clearly much harder than score suggests as all three goals came in last 15 minutes, meanwhile Worthing United came from behind to win 2-1 at Seaford, and leapfrog their opponents in the table at the same time.

Selsey won an entertaining game with Wick, twice the home side had led and were twice pegged back by Josh Irish's brace before Shane Brazil's late winner. Meanwhile Arundel won 3-1 in their local derby with bottom club East Preston.

Copthorne seem to be finding their feet after difficult start to life at the higher level, as they won 3-0 at Alfold, thanks to a Reegan Jeffery double. Montpelier Villa were also 3-0 winners on the road, at Mile Oak, and Forest Row were 3-1 winners over Billingshurst.

Jarvis Brook remain top of Division Two, although they had to come from two down before beating much improved Rottingdean Village 3-2. Hailsham & Rustington both recorded 5-0 home wins, the Stringers defeating Brighton Leccy, helped by a Josh Silva-Carvalho brace, while both Jon Cooper & Chris Darwin hit two as Rustington overcame Upper Beeding.

Ben Sharp's brace helped Bosham to an impressive 4-1 home win over Storrington, while Southwater defeated Capel 2-0 and Ferring won 2-1 at St. Francis Rangers.

MATCH PROGRAMMES

Reminder to All concerning requirement that Away club supply details for match programme.

I am aware of number of cases where away clubs have not bothered to send in any team details, (despite being requested to do so) to home club for inclusion in match programmes - **This is completely unacceptable!**

Rule 8.14 is quite clear that the away club **MUST** send in any details, as requested - any such cases reported to SCFL may result in the defaulting club being changed for breach of Rule 8.14.

Rule 8.14 The home Club is responsible for publishing a full match programme acceptable to the Board for each of its Competition matches. A full match programme available electronically only shall be acceptable providing that each Club has approval from the Board before the commencement of the Playing Season and must be continuous for the whole of that Playing Season. A Team Sheet will not be considered sufficient to comply with this Rule.

The visiting Club must send in writing to the home Club details of their matchday squad and management team together with any supplementary information required by the Competition from time to time (this may include their club crest, Club history, up-to-date pen pictures of their current Players registered with the Competition for the season [latest team photograph] and/or kit colours at least five days before the scheduled date of the match between the two Clubs.

The home Club programme must include the details sent by the visiting Club in the match day programme

SMS Results

Clubs are once again reminded that it is most important that the **home teams score is given first** regardless of whether you are home or away; or have won or lost!!

the same old mistakes are still being made week in - week out !

Clubs are also reminded when playing at Home (1st XI's) to text attendance with result

ie : 2-1 ATT 120

I am well aware of several clubs not receiving SMS text, or access to match returns for recent SCFA Cup fixtures – clubs should take this up with SCFA; they have failed to set up full-time correctly – there is nothing I can do.
