SAFEGUARDING CHILDREN

1. Any act, statement, conduct or other matter which harms a child or children, or poses or may pose a risk of harm to a child or children, shall constitute behaviour which is improper and brings the game into disrepute.
2. A) In these Regulations the expression 'Offence' shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to a child or children.
B) All persons in such positions that The Association deems relevant whose normal duties include caring for, training, supervising or being in sole charge of children are required to obtain an Enhanced Disclosure via The Association's CRB process.
3. Upon receipt by The Association of:
 - 3.1 notification that an individual has been charged with an Offence; or
 - 3.2 notification that an individual is the subject of an investigation by the Police, Social Services or any other authority relating to an Offence; or
 - 3.3 any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to a child or children then The Association shall have the power to order that the individual be suspended from all or any specific football activity for such a period and on such terms and conditions as it thinks fit.
4. In reaching its determination as to whether an order under Regulation 3 should be made The Association shall give consideration, inter alia, to the following factors:
 - 4.1 whether a child is or children are or may be at risk of harm;
 - 4.2 whether the matters are of a serious nature;
 - 4.3 whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded.
5. The period of an order referred to in 3 above shall not be capable of lasting beyond the date upon which any charge under the Rules of The Association or any Offence is decided or brought to an end.
6. Where an order is imposed on an individual under regulation 3 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

7. Where a person is convicted, or is made the subject of a caution in respect of an Offence, that shall constitute a breach of the Rules of the Association and The Association shall have the power to order the suspension of the person from all or any specific football activity for such a period (including indefinitely) and on such terms and conditions as it thinks fit.
8. For the purposes of these Regulations, The Association shall act through its Council or any committee of sub-committee thereof, including the Board.
9. Notification in writing of an order referred to above shall be given to the person concerned and/or any club with which he is associated as soon as reasonably practicable.
10. The applicable standard of proof shall be the civil standard, of the balance of probability. The more serious the allegation taking into account the nature of the misconduct alleged and the context of the case the greater the burden of evidence required to find the matter proved. Save that for charges pursuant to The Football Association's Safeguarding Children Policy, where the welfare and protection of children shall be paramount and the test shall be whether more likely than not.

STANDARD CODE OF RULES (applicable for Division Two & Under 23)

This document contains the Standard Code of Rules developed by The Football Association for open age football (the "Standard Code").

The Standard Code is mandatory for all Competitions at Regional NLS Feeder League level and below, and The FA Women's Pyramid excluding FAWSL, FAWC and the Women's National League.

Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.

The mandatory rules are printed in normal text and the optional rules in italics.

It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.

In all cases where a [] is shown the necessary name, address, number, or wording to complete that rule must be inserted.

Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the Sanctioning Authority and do not conflict with the mandatory rules or any relevant principles and policies established by the FA. Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.

Each Competition will be restricted to those teams participating in the section of the League named in the title of the Competition except the Peter Bentley Challenge Cup which shall be for teams competing in Premier Division and Division One of the League.

4. ENTRIES

All Clubs participating in the Southern Combination Football League will be automatically entered into the appropriate competitions.

5. ORGANISATION OF THE COMPETITION

- (a) A Southern Combination FL Challenge Cup shall normally be played on a knock-out basis unless in exceptional circumstances the Management Committee otherwise determine.
- (b) All other competitions may be played on a knock-out basis or as the Management Committee determine.
- (c) In all competitions, the Management Committee shall have the power to divide the competing Clubs if thought necessary into geographically convenient districts or otherwise, and to exempt any number of Clubs to the second round. No exemptions will be made beyond this round.
- (d) When the draw is made for any knock-out competition, the game shall be played on the ground of the Club first drawn unless otherwise mutually offered or paid in connection with the negotiations for a change of venue. In the case of replayed matches, the Club which had not the choice of ground for the first match shall have the choice of ground for the second match. The Fixtures Secretary may order that Semi-Final and Final ties will be played on neutral grounds. Semi Finals and Finals in each game will be played to a finish by the taking of penalties as determined by League Cup Rule 5(i)1.
- (e) Members of each respective team may be changed during the series of matches in any competition, but a player shall not play for more than one Club in a particular competition covered by these rules. Any Club found guilty of playing an ineligible player shall be removed from the competition, and shall be fined in accordance with the Fines Tariff. In addition any Club which intentionally plays an ineligible player and attempts to conceal the fact by making a false entry on the Official Match Return Card shall be fined in accordance with the Fines Tariff. When an offending Club is removed from a competition the Management Committee shall have the power to take such action as it deems fit in regard to any particular match.
- (f) All matches will be played to a finish in the first match. In the event that the scores are level at the end of normal time, a result shall be obtained by the taking of penalty kicks from the penalty mark as determined by League Cup rule 5 (i).
- (g) Any match abandoned before the end of normal time shall be replayed on the ground of the home Club, but if the abandonment takes place at the end of normal time, then the replay shall be on the ground of the away Club.
- (h) In the event of the score of the second match being a draw at the end of normal time, a result shall be obtained by the taking of penalty kicks in the following manner:
 - (i)
 - (1) The referee shall choose the goal at which all of the kicks shall be taken.

- (2) He shall toss a coin, and the team whose captain wins the toss shall decide whether to take the first or second kick.
- (3) (a) Subject to the terms of the following paragraphs (c) and (d) both teams shall take five kicks.
 - (b) The kicks shall be taken alternately.
 - (c) If, before both teams have taken five kicks, one has scored more goals than the other could, even if it were to complete its five kicks, the taking of kicks shall cease.
 - (d) If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, the taking of kicks shall continue in the same order, until such times as both have taken an equal number of kicks (not necessarily five more kicks) and one has scored more goals than the other.
- (4) The team which scores the greater number of goals, whether the number of kicks is in accordance with the terms of the foregoing paragraphs (3a), (3c) or (3d) shall qualify for the next round of the Competition, or shall be declared winner of the competition, as the case may be.
- (5) (a) With the exception referred to in the following paragraph (b) only the players who are on the field of play at the end of the match, which shall mean at the end of extra time in so far as a match in which extra time is authorised, is concerned, and any who, having left the field temporarily, with or without the referee's permission, are not on the field of play at that time, shall take part in the taking of kicks
 - (b) Provided that his team has not already made use of the maximum number of substitutions permitted by the rules of the competition under which the match was played, a goalkeeper who sustains an injury during the taking of kicks, and who, because of injury, is unable to continue as goalkeeper, may be replaced by a substitute.
- (6) Each kick shall be taken by a different player, and not until all eligible players of any team, including the goalkeeper or the named substitute by whom he had been replaced in terms of paragraph (5) as the case may be, have each taken a kick, may a player of the same team take a second kick.
- (7) Subject to the terms of paragraph (5) any player who is eligible may change places with his goalkeeper at any time during the taking of the kicks.
- (8) (a) Other than the player taking the kick from the penalty mark, and the two goalkeepers, all players shall remain within the centre circle whilst the taking of kicks is in progress.
 - (b) The goalkeeper who is a colleague of the kicker, shall take up position within the field of play, outside the penalty area at which the kicks are being taken, behind the line which runs parallel with the goal line, and at least 10 yards from the penalty mark.
- (9) Unless stated to the contrary in the foregoing paragraphs 1 to 8, the Laws of the Game, and the International Board Decisions relating thereto, shall, in so far as they can, apply at the taking of the kicks.

Charter Standard

Clubs that have Charter Standard Status by the end of the season will have their annual subscription for the following season discounted by an amount set by the Management Committee. Conversely, clubs that do **not** have Charter Standard Status by the end of the season will pay their **full** annual subscription for the following season as prescribed by the Football Association.

Race Relations

Note that all decisions on promotion (and relegation) are governed by the Football Association.

Player Eligibility

It is a Cubs responsibility to check that a player has been correctly registered and is eligible to play in a competition fixture. It is not the responsibility of the SCFL or any of its officers.

Ground Control

Under no circumstances shall any person or persons be allowed to stand inside the permanent fixed barrier surrounding the playing area during a match.

Floodlights

Clubs using floodlights must provide the Competition with a certified grid every two years. This grid must be inspected and passed by the Competition before any games under floodlights can be played at a club. The competition recommends that clubs use D&H Electrical Services for this purpose and will part-fund their cost of providing a grid. A club may, at their discretion use a different certified company (eg.. because they have a maintenance contract that includes the provision of a bi-annual grid), and this is acceptable – however, no funding support is available in those cases.

Alcohol

It is advisable to confine the consumption of alcohol to club bars and adjoining buildings. Notwithstanding this advice, at no time should glass, cans etc containing alcohol be taken out and drunk in the vicinity of the playing area. Any Club breaching this directive will be dealt with by the Board under League Rule 4.2.

Footballs

Sponsored match balls will be supplied by the Competition and clubs must use these footballs for all Southern Combination Football League fixtures. Further sponsored footballs are available on request from the Competition. Failure to use the sponsored match balls will result in a fine of £25 minimum to £100 maximum for repeated offences. It is the duty of the home club to ensure that a minimum of THREE match balls are available during each match.

Dugouts, Technical Area and Substitutes

- a) A Technical Area to suit the requirements of the Football Association is to be marked out by the sides and front of both the home and away team dug outs. Only two persons at a time shall occupy the Technical Area; only one person at a time has the authority to convey tactical instructions to players during the match from within the technical area.
- b) Substitutes (from each team) may warm up behind the touchline and behind the Assistant Referee, or the spare ground behind the barrier. Only Substitutes and Managerial Staff named on the club's Team Sheet shall occupy the dug outs. Substitutes shall remain seated in the dug outs at all times unless warming up in the designated area or when a substitution is made.
- c) Each club shall ensure that their Physio (for the duration of the match) and substitutes (prior to them replacing a member of their team on the field of play), wear tops of a distinctly different colour than their player shirts. The wearing of suitably coloured bibs is acceptable in this regard.
- d) Any non-playing individual removed from the Technical Area by a Match Official must go to the opposite side of the ground furthest from the Technical Area for the remainder of the match and must not re-enter the field of play at the end of the match. The individual must not influence the game by speaking (e.g. telephone) to the remaining members of the Technical Area or to a member of the management team who is watching the game.

The only exception to the above is for the therapist who meets the minimum requirement, for health and safety reasons.

Programmes

All programmes must contain the League Sponsor's Advert as approved by the Board. This can be downloaded from the league website.

Hospitality (Minimum Requirements)

Tea and/or soft drinks shall be provided prior to the match, at half-time and at the end of the match for players and match officials. Light refreshments shall be provided for invited guests at half-time.

At full-time, solid refreshments (eg. sandwiches, sausage rolls and/or hot food etc.), may be provided for players, dressing room staff and match officials.

Note that where a referee mark of 60 or below is awarded the person completing the online MRC must provide a report in the online 'Explanation Box' using a minimum of 300 characters

Match Officials Fees

The following Match Official Fees shall apply to all matches under the jurisdiction of the Southern Combination Football League.

Premier Division and Division 1 Referees: £53.00 Appointed Assistants: £38.00

Division 2 and Under 23 Divisions Referees: £43.00 Appointed Assistants: £28.00

The league awards presentation dinner is held on a Saturday in early June at a suitable venue chosen by the league. All clubs are required to send 4 representatives to the dinner, the cost of which is subsidised by the league. Additional tickets are available on request and there are no restrictions on numbers.

SCFL ANNUAL REPORT 2021-22

Following two seasons in which due to the global Coronavirus pandemic we had been unable to complete either season, 2021-22 started far more in hope than expectation, indeed this time last year we were unsure whether or not any team sports would be allowed, and whether or not any spectators would be allowed !

In the event, despite the inevitable few early postponements due to covid outbreaks within certain clubs, we managed to avoid any of the dreaded total lockdowns, despite everyone expecting just that around the turn of the year! – consequently we were able to complete all league competitions on schedule, which after two years of utter chaos was indeed a huge relief to everyone.

At the AGM, (again held online) we were constituted with 52 clubs across the three Divisions, following the National League System re-organisation which went ahead a year late, using points per game records based over two uncompleted seasons to determine promotions (albeit without any relegations) – a process which saw Lancing FC promoted to the Isthmian League, and Horley Town laterally moved back to the combined Counties League – their places in the Premier Division were taken by Littlehampton Town, Bexhill United, and AFC Varndeanians all promoted from our Division One using the same criteria.

In Division One we welcomed the Surrey based trio of Epsom & Ewell, Godalming Town, and Dorking Wanderers Res all on lateral moves from the Combined Counties League, those three together with Montpelier Villa, and Forest Row promoted to Senior Football for the first time from our Division Two & the Mid Sussex Premier respectively.

Division Two had 14 clubs with Southwater FC, a welcome addition following promotion from the West Sussex League – however TD Shipley were to subsequently withdraw before the end of August, meaning that 13 clubs saw the season through despite early problems at Charlwood FC, which led to them being given an extra couple of weeks to get a squad together at the start.

There were an impressive 32 Under 23 teams constituted at the AGM spread over Three regional Divisions (East; West & North), although sadly three of those were to pull out before fixtures commenced – however, an active U23 section comprising of 29 teams following so long without Football is testament to the success of that competition.

Furthermore, there were 40 Under 18 teams starting the season, which for the first time ever meant four regional Divisions (East; West; North; & Central), although of course the inevitable drop-outs at that level saw four teams pull out prior to Christmas!

Following their promotion Littlehampton Town hit the ground running and were early challengers along with everybody's pre-season favourites Saltdean United. Littlehampton went on to enjoy an incredible goal-filled season in which they played a total of 62 games, (including 24 cup games) scoring an astonishing 205 goals in the process !

It was, however, their exploits in the FA Vase, for which their will for ever be remembered, as they went on an incredible run that took them all the way to the final at Wembley Stadium, although sadly the final itself was to prove one game too many – their magnificent achievement in becoming the first non-league side from Sussex to reach Wembley in either FA Vase or FA Trophy cannot be overstated.

In the League, despite one or two wobbles on the run-in The Golds eventually finished four points clear of nearest challengers Saltdean United, to take The Premier Division title, and with-it promotion to the Isthmian League.

Division One turned into a very interesting battle, as clubs had known all season that only the Champions would earn automatic promotion – the second spot to be determined via play-offs involving teams finished 2nd to 5th (so long as they were eligible!) this meant that right until the final weeks some 7 clubs were in contention, although all along Dorking Wanderers knew they could not go up, as NLS regulation do not allow reserve sides to compete above step 6.

Roffey eventually capped a fine season to finish as Champions and earn promotion in only their third (and first completed !!) season in Senior Football. Leaving Midhurst, Seaford Town, Shoreham, and Epsom & Ewell to contest the play-offs, the second promotion place eventually being secured by 2nd placed Midhurst who defeated Shoreham by the only goal in the final.

Division Two was won by Rustington, who in the process successfully defended the trophy they won in 2019 !!! They finished eight points clear of runners-up Jarvis Brook, with the Surrey pair of Charlwood & Copthorne a further seven points back, Jarvis Brook were to also reach the Sussex Intermediate Cup final before losing narrowly to a very experienced Sidley United outfit.

Since the midweek development section started as Under 21s in 2015 with just 14 teams, we have seen a steady growth year on year, and since changing to U23 (in 2018) we have added a third regional Division. The East Division was won once again by Newhaven – their fourth title (out of the five completed seasons), while Pagham took the West section, with Broadbridge Heath being the inaugural North Champions

The Youth Section as previously advised had four regional divisions, with Bexhill United taking the East tile; Chichester City the West; Alfold the North; and Montpelier Villa winning the Central Division with Bexhill eventually winning the champions play-offs.

In our League Cup competitions, Littlehampton Town eventually took the Peter Bentley Cup defeating Newhaven 3-0 in the final, although sadly this final had to be re-scheduled as the original game was postponed due to the many problems caused by a minority of so-called Littlehampton supporters who jumped on the bandwagon as one of the un-welcome by-products of sudden success, they were to complete their incredible season with yet another Cup success – this time in the SCFA R.U.R. Cup to complete a magnificent treble...League; League-Cup; & RUR !

The Division One Cup was won by Midhurst & Eastbourne who came from behind to defeat Epsom & Ewell 2-1 in the final, thanks to winner deep into stoppage time.

Charlwood took the Division Two Cup, after fine 3-1 success against champions Rustington in the final, whilst Alfold took the U23 Cup – held to a 1-1 draw by Eastbourne Town they eventually prevailed 8-7 on penalties.

Alfold again displayed how strong their development set-up is by winning the Youth Section Cup as well with a 2-0 win against Horsham.

Perhaps not unsurprisingly the leading Goalscorer in each of the three Divisions, came from the Champions. Joe Benn taking the Premier Division award with 39 league goals (60 in all in a remarkable campaign – and he was out injured for nearly three months of it !!)

Josh Neathey of Roffey took the Division One award with 33 goals, and Josh Irish from Rustington with 22 was highest scorer in Division Two games.

GUIDE TO MARKING REFEREES

The mark awarded by a club must be based on the referee's overall performance, it is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

| Mark Range | Comment |
|--------------|--|
| 91-100 | The referee was extremely accurate in decision making and very successfully controlled the game using management and communication skills to create an environment of fair play, adding real value to the game |
| 81-90 | The referee was very accurate in decision making and successfully controlled the game using management and communication skills to create an environment of fair play |
| 71-80 | The referee was very accurate in decision making and successfully controlled the game using management and communication skills to create an environment of fair play |
| 61-70 | The referee was very accurate in decision making and controlled the game well, communicating with the players, making a positive contribution towards fair play |
| 51-60 | The referee had some shortcomings in the level of accuracy of decision making and control, with only limited success in communicating with the players resulting in variable fair play |
| 50 and below | The referee had significant shortcomings in the level of accuracy of decision making and control with poor communication with the players which resulted in low levels of fair play |

Notes

- Using a scale of up to 100 allows greater flexibility for clubs to distinguish between different refereeing performances more accurately
- A mark within each mark range can be given to reflect the referee's performance e.g. A mark of 79 indicates a somewhat better performance than 71
- **A mark between 71 and 80 represents the standard of refereeing expected**
- When a mark of 60 or less is awarded, an explanation must be provided to the league or Competition by completing the appropriate box on the marking form. It must include comments which could help improve the referee's future performances. Even where a referee had significant shortcomings there will have been some positive aspects which should be given credit; extremely low marks (below 20) should be very rare

HOW TO DECIDE ON A REFEREE'S MARK

The following questions focus on the key areas of a referee's performance. They are intended as an 'aide memoire', are not necessarily comprehensive and need not be answered individually. It is, however worth considering them before committing yourself the mark for the referee.

CONTROL AND DECISION MAKING

- How well did the referee control the game?
- Were the players' actions recognised correctly?
- Were the Laws applied correctly
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the referee always within reasonable distance of incidents?
- Was the referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the referee understand the players' positional intentions and keep out of the way accordingly?
- Did the referee demonstrate alertness and concentration throughout the game?
- Did the referee apply the use of advantage to suit the mood and temperature of the game?
- Was the referee aware of the players' attitude to advantage?
- Did the referee use the assistants effectively?
- Did the officials work as a team, and did the referee lead and manage them to the benefit of the game?

COMMUNICATION AND PLAYER MANAGEMENT

- How well did the referee communicate with the players during the game?
- Did the referee's level of involvement/profile suit this particular game?
- Did the referee understand the players' problems on the day - e.g. difficult ground/weather conditions?
- Did the referee respond to the changing pattern of play/mood of players?
- Did the referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the referee pro-active in controlling of the game?
- Was the referee's authority asserted firmly without being officious?
- Was the referee confident and quick thinking?
- Did the referee appear unflustered and unhurried when making critical decisions?
- Did the referee permit undue questioning of decisions?
- Did the referee deal effectively with players crowding around after decisions/incidents?
- Was the effective player management in evidence?
- Was the referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the referee negatively?

FINAL THOUGHTS

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over **the whole game**. Don't be too influenced by one particular incident
- Don't mark the referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.

Sussex County Football Association BENEVOLENT FUND

Registered as a Charity Number 217496

Support Your Benevolent Fund

The Sussex County FA Benevolent Fund is a registered charity which aims to help players and officials who have suffered a football-related injury and, as a result, find themselves in financial hardship. Without donations, the Fund simply would not exist. With Club's help, we can continue with the support we give to injured players. Unfortunately, not every application can be guaranteed a grant, but each case is carefully reviewed by the Fund's Secretary and Trustees who assess the claimant's financial needs. We aim to reach a decision within a few days of receipt of the application.

It is crucial for word to be spread on the experience of the Fund. We want to try to get through to players as well as club secretaries. Clubs are asked for donations when they receive their affiliation forms each year but the request sometimes gets no further than the secretary. It is no longer mandatory for a club to have made a donation in order to submit an application but if the assets dwindle it is the players who ultimately suffer. For an application form please contact the Fund Secretary.

Has Your Club Made a Donation?

**We cannot help your players if you
don't support us!**

RACISM IN FOOTBALL

Sussex County League fully supports the aims and objectives of the Let's Kick Racism Out of Football campaign.

- ❖ Football provides us with a unique opportunity to show unity between people of different origins. However, the experience of many players from ethnic minority communities is of abuse and harassment because of the colour of their skin.
- ❖ Players, referees and administrators are reminded that racist abuse (such as name calling) on the field of play is a red card offence. Teams, leagues and individuals who are found to have acted in a racist manner in either excluding ethnic minorities or found to be engaging in racist abuse or harassment will face having their registration cancelled.
- ❖ Players suffering racist abuse are encouraged to report it to referees on the field of play and to the Secretary or Chairman of their League. The County FA should also be informed immediately.
- ❖ Racism in football is a problem that we all have a responsibility to address. Don't let it ruin our game.
